Key
 □ = man
 ○ = woman

For a NMC → check out 1-8 (Total 8)
 For a non-NMC → check out 1-12 (Total 12)
 According to the Barvira's view of the non-NMC investigation, you would also have to check out the mothers of women #9, 10, 11 and 12; thus an additional 4 women (Total 16)
