Welcome

Dear Friends,

Yeshiva University and the Congregation Bnai Yeshurun Beis Medrash Program are excited to bring you the YU / Bnai Yeshurun Beis Medrash. The goal of this program, together with the existing learning programs taking place at Bnai Yeshurun, is to create a vibrant and energetic Kol Torah in the Teaneck community that will foster an inspirational environment for members of the community to grow in Torah. Ten young men from YU's Rabbi Isaac Elchanan Theological Seminary (RIETS), headed by Rosh Beis Medrash Rabbi Netanel Wiederblank, will learn on weekday evenings in the Bnai Yeshurun Beis Medrash. The YU students will enrich and engage the Teaneck Jewish community by learning Torah b'chavrusa with members of the community, and play a transformative role in the Teaneck Jewish community through their dedication to rigorous Torah study.

We are grateful to our supporters in the Teaneck community for their leadership on this exciting initiative. Through the YU / Bnai Yeshurun Beis Medrash, we look forward to continuing to strengthen the relationship between the Teaneck Jewish community and Yeshiva University.
