

## Zevachim 76

R' Mordechai Torczyner – torczyner@torontotorah.com

75b

Mishnah: If an asham is mixed with a shelamim, what do you do?

- R' Shimon – Treat both as asham
- Chachamim – Don't bring shelamim to psul (rather, let it get a mum)

*The concern for bringing kodshim to psul (Rashi [time], Chacham Tzvi [time limit], Rambam [tumah])*

Mishnah: If pieces are mixed with other pieces, can only treat both in the strictest way

Gemara: R' Shimon permits buying terumah with shemita money, as a bedieved.

76a

- Challenge 1 (Abbaye): We permit you to flavor korbanos with terumah spices lechatchilah!
  - This is terumah d'rabbanan (ראשית דגן תירושך ויצהרך)
- Challenge 2 (Abbaye): We permit you to buy terumah with maaser sheni money lechatchilah!
- Challenge 3 (Rav Yosef): We permit cooking shemita greens in terumah oil lechatchilah!
  - Abbaye: Could say this is terumah d'rabbanan
    - The oil is the terumah!
  - Abbaye: Could say this is after the oil was already mixed in

76b

- Challenge 4: Safek metzora brings safek asham/safek shelamim, and eats it as an asham lechatchilah!
  - That's needed for תקוני גברא
  - Tangent: How can you use chullin oil for avodah in the azarah?
    - The oil is a conditional nedavah
      - Do Kemitzah as nedavah, Hazaah (מתן ז') as metzora
      - Need to re-fill after Kemitzah, before Hazaah
      - Need to burn the kometz as nedavah, pre-Hazaah, conditionally

77a

- Need to redeem the re-fill (in the Beit haMikdash), since kemitzah was before that
  - *Why not dedicate its value to the Beit haMikdash, instead? (Tosafot)*

Metzora	Nedavah
Tenufah [1]	Kemitzah [2, refill]
Hazaah (matan 7) [4]	Haktaras kometz [3]
Placement on metzora [5]	Eat the rest
Eat the rest	

*Re: Terumah oil & shemita greens, why not redeem the shemita status via barter for other greens? (Dam Zevachim)*
