

Zevachim 96

R' Mordechai Torczyner – torczyner@torontotorah.com

96a

Why can't I tear the entire beged? (Moti's question from Sunday)

Gemara: Continuing: Breaking כלי חרס in the ¹עזרה / creating a metal תנור to avoid the need to break it

- Do we want to create אשפה in the עזרה?²
 - Answer: Shemayah in Kalnibo³ - They were absorbed (and so didn't pile up)⁴
- Why do you need to use metal for the תנור? Just light it from the inside to kasher it!
 - They used metal because the oven was כלי שרת and so couldn't be חרס

96b

Gemara: Does the entire kli require מריקה ושטיפה if only part of it was over the flame?

- Opens with Rami bar Chama asking Rav Yitzchak bar Yehudah why he left to be with Rav Sheshet
- Does the whole kli need מריקה ושטיפה?

Gemara: Machlokes re: which kodashim require מריקה ושטיפה

- Sources for R' Yehudah and R' Shimon in pesukim
- If terumah doesn't require מריקה ושטיפה, why does it require kashering?
 - Abbaye: Kashering is only for the part exposed to the food
 - Rava: Kashering is with any liquid
 - Rabbah bar Ulah: Kashering is with hot liquid; מריקה ושטיפה is with cold, or with cold after hot⁵

Mishnah: More on מריקה ושטיפה

- Going through Yom Tov without מריקה ושטיפה (because the בליעה is re-cooked daily)
- מריקה ושטיפה is internal, cold

97a

- Spits and griddles undergo הגעלה⁶

¹ Can חרס lose its absorption? (Rashi Vayyikra 6:21; Taharas haKodesh here)

² Why not? And why not say that this is its mitzvah? (Ayeles haShachar, Griz)

³ What do we learn from specification of Kalnibo? (Sanhedrin 63b, Megilah 6a, Chasam Sofer to Yoma cited in Margaliyos haShas)

⁴ What about Yoma 21a?

⁵ Do we rinse kelim after hagalah? (Tosafot here, Tosafot Avodah Zarah 76a מכאן, Taharas haKodesh, Shulchan Aruch Orach Chaim 452:7 and Mishneh Berurah 452:34)

⁶ Why not libun? (Avodah Zarah 76a, Mishneh Torah, Hilchot Maaseh haKorbanos 8:12)
